***“Tell me and I’ll forget; show me and I may remember; involve me and I’ll understand.”***

Dear Students,

Higher education is a significant stepping stone towards realizing one's aspirations. It opens the doors of more specialized knowledge and a wider spectrum of careers, and gives the learners the opportunity to choose their mission in life. We, at Govt. College, Nagrota Bagwan, offer a broad curriculum and a range of opportunities for all our students to achieve excellence in academic, creative, social, cultural, sporting and community endeavours. With the motto “*Asato Ma Sadgamaya, Tamso Ma Jyotirgamaya*”, our college inspires both students and teachers to attain true, universal and constructive knowledge in the world.

With professionally competent faculty members, spacious library, extensive campus, well equipped computer labs, sports facility and a host of extracurricular activities; we are committed to work for the overall development of the students by channelizing their energy. The College strives to impart holistic education and believes in the overall development of our dear students. The college provides a liberal, lively and competitive environment enabling the students to craft their success.

Students, we believe, are our most valued assets. A dedicated team of our teachers monitor and mentor young students to help them imbibe attributes, skills and capabilities to achieve their cherished goals. I am positive that in times to come, we will make steady progress in this rewarding journey of teaching and learning. I welcome the students to commence their journey with dreams and passion. I hope that with a clear focus, tenacity and receptivity to growth and learning, our students will excel in creating an empowered nation.

**Dr. Ashok Kumar Chaudhary**

## **ABOUT GOVT. COLLEGE, NAGROTA BAGWAN**

Government College, Nagrota Bagwan is situated in the foot hills of snow-capped Dhauladhar mountain range and was established in 2006 to cater to the educational needs of the students of the hill state. It has a sprawling campus and a well-designed building spread over approximately 100 Kanals area. It is affiliated to Himachal Pradesh University, Shimla and offers courses in Humanities, Basic Sciences and Commerce at the undergraduate level, English, Commerce and Mathematics at the postgraduate level. The college also started professional courses such as BBA & BCA under self finance scheme from 2021-22 sessions.

The college has been continuously growing under the efforts of enthusiastic and hardworking team of 28 faculty members. The total strength of students in Humanities, Commerce, Science, M.A/M.Com/M.Sc. (English, Commerce & Mathematics) and BBA & BCA is currently 2582. The college possesses adequate infrastructure in terms of classrooms, library, science and computer laboratories, music rooms and a big playground for sports activities. The college commits itself to fulfil true mission of harnessing education for the upliftment of the socially and economically challenged sections of the society.

***Vision:*** We envision ourselves as one of the leading institutes of higher learning that imparts quality and value based education to students of the hill state. We aim to nurture an atmosphere of intellectual vigour and moral rectitude in which the youth of the region may find their fulfilment, achieve success and contribute constructively towards the development of nation. Our constant endeavour is to provide a safe, secure and conducive learning environment to the underprivileged students from rural and semi urban areas, particularly girls who aspire for higher education. We strive to educate young minds to be competent, committed and compassionate citizens who respond thoughtfully and responsibly to the challenges of ever changing world.

***Mission:*** The College is committed to provide holistic education that brings transformation of body, mind and spirit. We strive for academic excellence but also focus on engaging our students in co curricular activities for all round development of the personality. We are dedicated to the cause of empowerment of rural youth and constantly encourage enrolments by providing them with best of infrastructure, learning resources and financial assistance, as and when required. We facilitate ethical higher learning while nurturing a sense of social responsibility, gender sensitivity, environment sustainability and an optimistic outlook towards life.

## **CONTINUOUS COMPREHENSIVE ASSESSMENT (CCA) AND EVALUATION**

All courses (Core, Elective and Ability enhancement) involve an evaluation system of students that has the following two components:-

- A) **Continuous Comprehensive Assessment (CCA)** accounting for 30% of the final grade that a student gets in a course; and
- B) **Annual Examination** accounting for the remaining 70% of the final grade that the student gets in a course.

**NOTE:** A student will have to pass both components (i.e. CCA & AE) separately to become eligible to be declared successful in a course.

- A) **Continuous Comprehensive Assessment (CCA):** This would have the following components:

- I) **Classroom Attendance:** Each student will have to attend a minimum of 75% Lectures Tutorials / Practical. A student having less than 75% attendance will not be allowed to appear in the Annual Examination.

- ◆ Provided that those having between 74% and 65% attendance will apply for exemption in a prescribed form accompanied by clear reason (s) for absence to the authorized functionaries.
- ◆ Provided that those having between 64% and 50% attendance will apply for exemption in a prescribed co-curricular activities(e.g. NCC, NSS, Youth Festivals, Sports etc.) to the extent of 25% (making the necessary attendance as 50% in these cases). However, the claim for this exemption should be supported by authenticated certificate from the concerned college authorities.
- ◆ Provided further that those getting the exemptions, except for those getting exemptions for co-curricular activities, will not be entitled or getting the CCA marks for classroom attendance as given below.

Those having greater than 75% attendance (for those participating in Co-curricular activities, 25% will be added to percent attendance) will be awarded CCA marks as follows:

- I)  $\geq 75\%$  and  $< 80\%$  = 3marks
- II)  $\geq 80\%$  and  $< 90\%$  = 4marks
- II)  $\geq 90\%$  = 5marks

III) **Mid-Term Test:** There will be one mid-term test to be conducted approximately when 2/3 of the syllabus has been covered. This mid-term test will be for 15 marks.

IV) **Seminar/Assignment:** The remaining 10 marks of the CCA will be awarded on the basis of the seminar/assignments.

**B) Annual Examination**

The remaining 70% of the final grade of the student in a course will be on the basis of an Annual Examination that will be of three hours duration and will be covering the whole syllabus of the course. Annual Examination of all the streams will be in the month of March/April.

- ◆ A candidate who does not pass the examination in any course(s) (or due to some reason is not able to appear in the annual examination, other conditions being fulfilled, and so is considered as 'Fail'), shall be permitted to appear in such failed course(s) in the supplementary examination to be held in the following October/November or March/April/May as the case may be.
  
- ◆ If a student is not permitted to appear in the annual examination due to shortage of attendance beyond the exemption limit (<50% attendance) shall be deemed to have 'dropped' the course. However, such candidates, on his/her written request to be made immediately, can be permitted to redo the missed courses after completing the rest of the programme or whenever the course is offered subsequently. This redoing would mean complete course including CCA and annual examination.

- One time University Registration and examination Fee will be charged extra by University at the time of registration and examinations.

### **ADMISSION TO P.G.PROGRAMME**

The college is running M.A. classes in English, M.Com and M.Sc. in Mathematics. The admission for these courses will be on the basis of entrance test to be conducted by the H.P. University. The number of seats in M.Com., MA (English) and M.Sc. (Mathematics) are 60, 30 and 30, respectively. The merit is decided according to the latest SPU roster. Upper age limit is 26 years for the boys and 28 years for the girls (29 years in case of SC/ST boys and girls) as on 01-07-2023.

## **CO-CURRICULAR AND EXTRA-CURRICULAR ACTIVITIES**

Education is a very broad term and goes beyond training of one's mind for acquiring textual knowledge. It is associated with other activities in order to bring about multi-dimensional development of the overall personality of a man. The college provides such opportunities to our students through many co-curricular and other activities that help them to develop a sound body and mind. Our college has many societies like Science Society, Social Science Society, Red Ribbon Club and Eco Club etc. Students are encouraged to join these societies as per their interest. Students can approach the in-charges of these societies for enrolment and participation in various activities conducted by them.

### **NATIONAL SERVICE SCHEME (NSS)**

The College runs NSS program to inculcate the quality of leadership, social service and discipline, among the youth. The students who attend 240 hrs of social service and attend one special camp for 7 days, are given a special benefit at the time of admission in the higher classes and even at the time of employment.

## ROVERS AND RANGERS

The college runs Rovers & Rangers, aims to contribute to the development of the young people in achieving their full physical, intellectual, social and spiritual potentials as individuals.

## EK BHARAT SHRESHTHA BHARAT

Ek Bharat Shreshtha Bharat committee has been constituted in the college as part of the Ek Bharat Shreshtha Bharat initiative by the Government of India to enhance interaction and promote mutual understanding between people of different states/UTs through the concept of state/UT pairing. The states carry out activities to promote a sustained and structured cultural connect in areas of language learning, culture, traditions and music, tourism and cuisine, sports and sharing of best practices. The states of Himachal Pradesh and Kerala have been paired under this program.

## ECO CLUB

The Eco Club of the college works with an aim to spread awareness regarding the environment among the students. Tree plantation drives, awareness activities such as rallies, educational trips, quiz and poster making competitions, etc. are organised to sensitise the students towards environment related issues.

## RED RIBBON CLUB

With the aim of spreading awareness about HIV and AIDS among students, the Government of India initiated the formation of Red Ribbon Clubs in schools and colleges. The primary objective of the club is to create awareness and to induce the spirit among youth to help and support and support people living with HIV/AIDS thereby reducing stigma and discrimination. The objective is to motivate youth and build their capacity as peer educators and agents of change. The club also promotes voluntary blood donation among youth.

## **COLLEGE MAGAZINE**

The college publishes its own magazine “Baagwan” to unleash the creative potential of its students. Every section of the magazine is edited by a staff member and assisted by student editor.
